## Exam Information

2018-05-02

Please read the information about the exam in 2433.pdf.

The exam will contain a number of small problems. Without any guarantees, some of them will be similar to problems in homework assignments 4–6, but, of course generally small. But there could be other simple questions on the material.

The material you are responsible for consists of

1. Homework assignments 4–6.

2. Slides

- (a) Unit 4: 1–52, 56–59.

- (b) Unit 5: 1–32, 35–50, 73–97, 102–159, 189–204. Do not worry about duplicates in UNION, MINUS, INTERSECT.

- (c) Unit 7: All the material for that Unit listed in Status.pdf.
